

A 10x10 grid of squares arranged in a diamond shape. The grid is composed of 10 rows of squares. The first row has 1 square, the second has 2, the third has 3, the fourth has 4, the fifth has 5, the sixth has 4, the seventh has 3, the eighth has 2, the ninth has 1, and the tenth has 0. The squares are arranged in a diamond pattern, with the center square (row 5, column 5) being the only square that is not white. It is a red diamond shape with a blue plus sign inside. The other squares are white with black outlines. The grid is centered on a white background.
